# **LaGrange College Senate Application**

Chris Daniel, Vice President of Senate and Parliamentarian

Dear Students,

On behalf of the Student Government Association and Vice President and Parliamentarian, we would like to welcome you to the 2008-2009 school year at LaGrange College! I am looking forward to working with you and improving campus life at Lagrange College. In completing this application, I will expect you to be fully prepared and dedicated to being a member of SGA by attending all meetings held by SGA as well as each meeting that us as the senate will hold.

Our job as the senate is to poll our student body on issues, events, and ideas that are presented to us that will provide a better environment for our campus. For each class a President, Vice President, and three Class Representatives will be elected which will then make up our twenty member student government senate.

*Chris Daniel  
Vice President of Senate and Parliamentarian  
LaGrange College Box #161*

# SGA Senate
