

### 2009 LaGrange College Fast Pitch Softball Camp Participation Agreement

As with any sport, participation in softball involves risk of injury. These injuries may vary from the most minor (i.e. sprains, abrasions, contusions) to the most serious (i.e. severe trauma, death). In an effort to make softball camp as safe as it can be, the coaching staff will instruct campers concerning the rules of softball and the correct mechanics of all skills. It is vital that campers follow the coaches' instructions, rules and policies to decrease the possibility of serious injury. We have read the information above concerning the risks of participation in softball camp. We understand and assume all risks associated with softball camp. We further agree to hold LaGrange College, camp director Jennifer Claybrook and camp staff harmless in any and all liability actions, claims or additional legal action in connection with participation in the Coach J. Claybrook Fast Pitch Softball Camp. In addition, I hereby give permission for emergency medical treatment in the event I cannot be reached.

### About the camp...

It is with great anticipation and excitement that we welcome you to the Coach J. Claybrook Fast Pitch Softball Camps held at Shuford Fields Complex and the LaGrange College Softball Complex. We are offering two camps, one in June and one in July. The one in June will go from 9 AM- 2 PM; the one in July will go from 9 AM to 5 PM. Last year, Coach Claybrook offered her first ever extended camp and it was so much fun that she is offering it again this summer. Our camps will consist of several facets. We will have structured fundamental softball drill and skill stations, as well as incorporate modified game situations. In June, lunch will be provided and a t-shirt. In July, the participants must bring their own lunch and a snack for the early afternoon. The extended camp will focus on Softball for the majority of the day, but in the afternoon the campers will participate in other activities together, (ex. Swimming, basketball).

Our skill and drill stations will include: throwing, catching, running, pitching, infield play, outfield play, hitting, bunting and sliding. We are committed to providing an environment where the campers can learn and have fun. Where they are encouraged and given positive reinforcement. We want them to leave the camp with a greater appreciation for the game, but also a greater love for the game.

### How to register...

For the June 1-5 camp, you register through the Troup County Parks and Recreation. For the July 13-17 camp, please fill out and send back the registration form and the participation agreement with your \$25.00 non-refundable deposit to me by June 30th.
