Information for returning Greek residential students

The Office of Residential Education & Housing will permit active members of LaGrange College Greek-letter organizations to move into their campus rooms on **Wednesday, August 20, 2014, between 9:00 a.m. and 4:00 p.m.** and go to the lobby of your residence hall to pick-up your room key and other pertinent information from the RA.

Please note that this permission is reserved for only active members of Greek-letter organizations who will be assisting with incoming student move-in as well as Orientation and First Week activities. Again, the privilege to move-in early is based on the understanding that you will be assisting the College welcome our new students to campus; if this privilege is abused, it will be removed in coming years. The Office of Residential Education & Housing will only issue keys to Greek members who listed on the official rosters supplied to them by the Chapter President. If you arrive and your name is not listed on the roster in our possession, you will need to have your Chapter President speak with our staff before a key will be issued.

*Once you get to campus for move-in*

- When you arrive to campus, park your vehicle near your residence hall and go to the lobby of your residence hall to pick-up your room key and other pertinent information from the RA. The contact information for the RA conducting your key pick-up will be posted throughout your residence hall. At this time, you will receive your room key and other pertinent information.

- Following check-in, it will be your responsibility to find a suitable location to unload your belongings. Please understand that parking is limited and, as such, keep the following points in mind: (a) you may need to park in a different location on campus to check-in and then wait until an opening presents itself for unloading, and (b) to ease the traffic and unloading patterns, please move your vehicle to a parking space away from the hall after you have unloaded your belongings. Ample parking should be available in the parking lot located at the intersection of Vernon Street and College Avenue; this is the parking lot located “behind the bridge.”

While this document outlines specific information regarding the move-in process, you will receive a separate email from the Office of Residential Education & Housing with your roommate information.

Greek Grounds Expectations for Move-In

With new students and their parents arriving on August 23, 2014, the need to have all grounds surrounding Greek housing clean and presentable cannot be more strongly stressed. All trash, unsightly furniture, or anything that could potentially embarrass your Dean of Students or Coordinator of Greek Life should be removed and stay absent during this period. This expectation will be strongly enforced and violations will result in the suspension of social programming privileges and/or limitations in rush/recruitment!
