LC MAJOR CURRICULUM (48 credit hours)

Because of differences in curriculum between Alabama and Georgia, an individual evaluation will need to be done for any student completing an Education Studies degree. We are committed to ensuring timely graduation, and eligibility for teaching certification. Please email registrar@lagrange.edu for an individualized evaluation of your BSC credits.

ELECTIVE CREDITS NEEDED (31 credit hours)

For details regarding the specific courses required in the curriculum, refer to the [LaGrange College Bulletin](#) or email registrar@lagrange.edu.

LaGrange will help you determine the appropriate program for you to complete from our curriculum.

- **GENERAL EDUCATION CREDIT**
LaGrange College will help you complete our Ethos general education curriculum. We will transfer any courses you have currently completed in your Explorations curriculum and apply them to our Ethos curriculum as much as possible. Faculty advisors will then work with you to complete the rest of our Ethos curriculum during your time at LC.
- **MAJOR CREDIT**
LaGrange College will accept courses you have currently completed toward a potential major at BSC and apply them to one of the many majors we offer. Faculty advisors will help you determine the rest of your major completion with minimized time to graduation.
- **OTHER MAJOR OR DISCIPLINARY REQUIREMENTS**
Faculty advisors will work with you to ensure that you complete any additional major or disciplinary requirements for graduation in a timely fashion.
