Honors Program - Honors Program Curriculum

Type:Minor

To complete the program and earn the Honors designation on their transcripts, students need to

- Complete the four HONS courses, earning no less than a C in each of the classes.
 - Maintain an overall LaGrange College GPA of no less than a 3.60.
 - Complete an agreement with an instructor teaching a course in that individual's major or minor field. This agreement specifies the instructor's willingness to oversee the work, details the instructor's expectations of the student, and lists the potential venue of the presentation.
 - Fulfill the terms laid out in the Presentation Agreement signed by the student and a professor in their major or minor field.
-

HONS 2013 - Little Devastations: Dark (and I mean dark) Fictions and the Hope We Can Pry from Them

Hope springs eternal, the ancient sages tell us. This course, however, examines fiction (stories, novels, tv, and film) that presents the bleakest of dark scenarios. Class discussion will focus on the hope we might possibly find in such works.
