

MIDDLE GEORGIA
REGIONAL LIBRARY

An Official Partner for the National History Day Round-up

NHD
NATIONAL
HISTORY DAY®
GEORGIA

The Middle Georgia Regional Library is pleased to join with National History Day Georgia as an approved Research Round-up site for 2019! That means that students can now take advantage of our printed and electronic resources, as well as the skills of our librarians, to help with their research on this year's theme:

National History Day 2020

**Breaking
Barriers
In History**

What is

National History Day?

National History Day is a program for students in grades 6-12 that encourages them to take ownership of their learning.

Students select a topic related to the annual theme, conduct research, develop a thesis, and present their findings via one of five media formats.

1. Documentary
2. Exhibit
3. Paper
4. Performance
5. Website

Visit www.NHD.org for more information!

For History Day Assistance:

You or your parent should call or email the Genealogical & Historical Room at **478-744-0821** or mgrlgh@biblib.org to schedule an appointment with a Librarian.

Be prepared to give following information:

1. Your name, school, and grade
2. Your email and phone number
3. Your selected topic

We will schedule an appointment for 7-10 days out to give our professional staff time to locate books, articles, newspapers, and other media related to your topic. When you arrive for your appointment, we will share what we've found and give you tips on continuing your research.

Competition levels are Regional, State and National

To participate in the National History Day Competition all Homeschoolers et al outside the Bibb County School System visit our webpage www.lagrange.edu/nhd and complete the "Educator Registration" form
