

Get Involved!

Circles of Troup County

We work with low-income families to help them set and reach goals to become financially stable and we advocate in the community to reduce barriers that keep people from getting ahead.

Volunteer Opportunities:

- Assist with the children's program during Thursday evening weekly meetings (when we begin again).
- Prepare and serve meals for our Thursday evening meetings.
- Volunteer for our Poverty Simulations.
- Help with fundraisers, including the annual Empty Bowl Dinner event in the spring.
- We have two paid positions as well as volunteer positions!
