 Total Number of Credit Hours: 120

For details regarding the specific courses required in the curriculum, refer to the [LaGrange College Bulletin](#) or discuss with your advisor.

To be eligible for a degree, students must complete the required number of Cultural Enrichment (CE) credits reflected in the Bulletin (10 CE credits are required per year of enrollment at LaGrange College, so a student attending for all four years would need 40 CE credits to graduate.)

*\*A student may be placed on probation or suspension, at the discretion of the VPAA, if the student fails to successfully complete ENGL 1101 within the first 30 semester hours of enrollment and/or if the student fails to successfully complete one core mathematics course (MATH 1101 or higher) within the first 45 hours of enrollment at LaGrange College.*
