Dear LaGrange College Student-Athlete,

Welcome to the 2016-2017 academic year. We are thrilled to have you represent our institution and are looking forward to the coming year. At times this commitment may be very challenging, but it is our hope that this commitment will be an essential part of what makes your entire experience at LaGrange College worthwhile.

The student-athlete handbook contains information, policies, and procedures set forth with LaGrange College and your best interest in mind. The information included in the handbook is to be used in conjunction with any and all standards, rules, and regulations set forth by LaGrange College, the NCAA, and the USA South. Please note that much of the information has been summarized and can be changed without notification. For the full LaGrange College Student Handbook, please contact the Dean of Students. For rules and regulations provided by the USA South Conference and by the NCAA, please visit the athletic office to review a copy of the manual. In addition to the copy of the manual kept in the athletic office, the NCAA provides one for viewing on NCAA.org. The handbook will be reviewed annually and we would appreciate any suggestions you have toward its improvement.

At the end of your athletic season you will be asked to complete a student-athlete survey. Your participation in this survey will allow us to receive important feedback about significant areas that impact the intercollegiate athletics program. Please take time to complete the survey.

Thank you for your attention to this handbook. I wish you luck in the upcoming year both academically and athletically. My hope is that all student-athletes will continue our tradition of superior performance in the classroom and in competition.

Sincerely,

Jennifer Claybrook
Vice President of Athletics
Athletic Director
LaGrange College
LaGrange College Mission Statement
LaGrange College challenges the minds and inspires the souls of its students. Founded in 1831 and committed to its relationship with the United Methodist Church and its Wesleyan and liberal arts traditions, the college supports students in their search for truth. An ethical and caring community valuing civility, diversity, service, and excellence, LaGrange College prepares students to become successful, responsible citizens who aspire to lives of integrity and moral courage.

LaGrange College Athletics Mission Statement
The athletic department exists for the purpose of challenging student-athletes at LaGrange College in their search for excellence and respect in both academic and athletic performance. Student-athletes are expected to develop and show respect, sportsmanship, and commitment, as well as pride in the traditions of LaGrange College. Our aim is the transformation of the whole student—body, mind, and soul.

Statement on Non-Discrimination
LaGrange College does not discriminate on the basis of age, color, race, national or ethnic origin, disability, sex, sexual orientation, gender identity, or gender expression in the administration of educational polices, admissions policies, financial aid, employment or any other program or activity.

LaGrange College Athletics Statement of Philosophy
Intercollegiate athletics at LaGrange College provide students with an integral complement to their overall educational experience. Recognizing the importance of athletics to the individual student while seeking to strike an appropriate balance between the life of the mind and participation in co-curricular offerings, the college is committed to providing a program of intercollegiate athletics that is student-centered for both participants and spectators. The college believes that the primary function of intercollegiate athletics at a small, church-related, liberal arts college is one of a high quality co-curricular complement to its overall mission. As such, academics will always have priority over athletic or other co-curricular pursuits.

LaGrange College seeks to recruit and retain student-athletes who understand the balance of priorities between academics and co-curricular programs, whether the latter are athletics, the performing arts, or other student activities. The college employs coaches who understand that balance of priorities, and its coaches seek to recruit students who will be successful student-athletes. As an institution that does not award financial scholarships based on athletic success, our coaches work as part of the enrollment team to identify students who will be both successful on the field, in the classroom, and in life following graduation.

The college embraces a commitment to instill and develop the values of superlative ethical conduct and fair play among its athletes, coaches, spectators, and other constituents. Further, LaGrange College recognizes that student-athletes are role models to their peers as well as representatives of the college, and the college actively encourages student-athletes to conduct themselves in a manner that befits those roles.
Consistent with the College’s Statement on Non-Discrimination, LaGrange College is committed to gender equity and values cultural diversity. The college will invest sufficient resources to ensure that medical and athletic training services are available to all student-athletes at appropriate times. It shall strive to ensure that all individuals on all teams are treated with the same level of fairness, resources, and respect so that all athletes are afforded an equal opportunity to develop their potential as a student-athlete. The LaGrange College Athletic Department uses the National Collegiate Athletic Association (NCAA) manual of rules and regulations as guide for conduct and action. The department follows and supports the USA South Conference and the LaGrange College policies and procedures as well.

**Overview of the National Collegiate Athletic Association (NCAA) and the Division III Philosophy Statement**

The NCAA was founded as a way to protect student-athletes and is the organization through which colleges and universities speak and act on matters impacting student-athletes. Members of the NCAA Division III place highest priority on the overall quality of the educational experience and on the successful completion of all students' academic programs, in addition to their commitment to helping student-athletes achieve their athletic goals.

**Student-Athlete Advisory Committee**

The mission of the LaGrange College Student Athlete Advisory Committee (SAAC) is to enhance the total student-athlete experience by pursuing the unification of the entire college community; to ensure each student-athlete's voice is heard and each team has equal representation; as well as promote and to maintain a high level of excellence, integrity, and character for each student-athlete; while maintaining the tenants of the Division III philosophy. Jenna Jones serves as the advisor.

LaGrange College, the USA South Conference and the NCAA value the input of student-athletes. It is for this reason that each sport has representatives that can serve to be your voice to guide policies, legislation, and other initiative. **It is the responsibility of the student-athlete to inform their representatives of these viewpoints.**

The SAAC will be responsible for organizing and supporting the community service initiatives supported by the USA South Conference and the NCAA community service commitments of Cans across the Conference, Pennies for a Purpose, and the Special Olympics.

**Student-Athlete Code of Conduct**

All LaGrange College student-athletes agree to uphold the principles and standards of the College’s Honor Code, Social Code, Sexual Discrimination/Sexual Violence Policy, and all other published expectations for behavior. Core to these principles of ethical conduct are a student-athlete’s commitment to the ideals of civility, diversity, service, and excellence in all aspects of the student’s life whether on or off the playing field/court. As an educational institution the college is concerned not only with the formal in-class education of its students, but also with their welfare and their growth into mature men and women who conduct themselves responsibly.
as citizens. LaGrange College student-athletes are expected to demonstrate respect for their institution, teammates, coaches, opponents and officials at all times.

**Academics**
Due to competitive schedules and the related travel demands, you will miss some classes and exams. It is the responsibility of the student-athlete to communicate with your professors in advance of the missed class time and to determine what their expectations are for you to make up/complete missed course work. In the unlikely event that you encounter any difficulty in communicating and making the necessary academic arrangements with your professor, please notify your head coach as soon as possible.

**General Guidelines for Class Attendance and Missed Class**
A student-athlete is expected to attend all classes, including labs, for all courses for which they are enrolled. It is important that you only miss class for athletic travel and games. Practice and getting in late the night before due to an athletic trip is never an excuse to miss class.

- Student-athletes should inform professors ahead of time of any impending absence due to an athletic event
- Student-athletes should make all of the necessary arrangements in order to make up all work or tests missed with the professor prior to athletic travel
- The professor may ask a member of the coaching staff to administer a test during the trip to prevent any advantage to the student-athlete from occurring
- Each program establishes consequences for unexcused missed class time

**Student-Athlete Eligibility**

NCAA Position on Banned Substances and Nutritional Substances
Many nutritional/dietary supplements contain NCAA banned substances. In addition, the U.S. Food and Drug Administration (FDA) does not strictly regulate the supplement industry; therefore purity and safety of nutritional/dietary supplements can’t be guaranteed. It is for this reason that taking supplements may lead to a positive drug test. The use of supplements is at the student-athlete’s own risk. Student-athletes should contact a LaGrange College certified athletic trainer for further information.

Hazing
The LaGrange College Athletic Department is charged with enforcing the institution’s hazing policy listed below. It is the duty of any member of the athletic staff or student-athlete who is aware of a potential incident of hazing to immediately report that information to the Vice President for Athletics who will then work with the Vice President for Student Engagement and Dean of Students in investigating that allegation in accordance with the institution’s standing disciplinary processes.

The state of Georgia’s current hazing law (G.S. 16-5-61) makes it “unlawful for any person to haze any student in connection with or as a condition or precondition of gaining acceptance, membership, office, or other status in a school organization.”

Any practices, ceremonies, behaviors, or rites of induction which tend to occasion, require or allow mental or physical suffering, are prohibited.

Specifically, hazing is defined as any action taken or situation created, intentionally or unintentionally, on or off campus, which could be reasonably expected to produce mental or physical discomfort, embarrassment, harassment, ridicule, the violation of college rules and regulations, the violation of the laws or policies of the parent organization and/or the violation of any local, state, and/or national laws. All rules and regulations of LaGrange College as well as local, state, and national laws shall supersede those policies of national or local organizations. All assessments as to the appropriateness of an action will be considered within the context of the standards of the total college community.

Activities considered to be hazing shall include one or both of the following elements: (a) coercion, either overt or covert, and (b) production of physical or mental discomfort in either the participants or spectators. Such activities suggested by a group or a member of a group to new trail members will be considered covert coercion even if the activity is said to be "voluntary."

It shall be a violation for any person to haze any student in connection with or as a condition or precondition of gaining acceptance, membership, office, or other status in a school organization.

Alcohol and Substance Use and Abuse
LaGrange College prohibits the possession, distribution and use of alcohol or illegal drugs. At no time is the use or possession of alcohol or drugs allowed at LaGrange College regardless of the legal drinking age. This includes dormitories, parking lots, and athletic facilities. This ban is in effect while traveling with a college group and/or team. These policies are in effect year round.
All student-athletes are banned from consuming alcohol for a minimum of 24 hours before one of their athletic contests.

Although the Vice President for Student Engagement and Dean of Students maintains primary authority for disciplinary matters, coaches may impose the following sanctions individually or in combination on student-athletes found in violation of the alcohol and substance use and/or abuse policies based on the nature of the offense, the severity of the violation, the behavioral history of the offender, and the number of violations during the course of a student-athletes time in the department and at the institution.

The Victory Song: Hail to Our Home on the Hill
Heidi Hendricker (2006) and Stephanie Bassett (2006)
Hail to our home on the hill,
With glory we honor her still.
We’ll be panthers thru and thru,
Always loyal, strong, and true.
So, hail to our home on the hill.
Hail to our home on the hill,
We’re fierce and we go for the kill.
Whether livin’ or you’re dyin’,
Go out with your colors flyin’.
And hail to our home on the hill.

Alma Mater
Dolly Jones House (1914)
Hail to thee our Alma Mater,
Guardian of our days.
For thy spirit never failing,
We will sing thy praise.
High aloft we hold thy banner,
Ever loyal true.
And to thee our Alma Mater,
We our pledge renew.

In thy mighty groves of learning,
Wisdom’s path we’ve sought.
High upon thy lofty hilltop,
Visions have been wrought.
From our hearts we sing the chorus,
Time shall never change.
Hail to thee our Alma Mater,
Hail to thee LaGrange.
